3rd Pursuit June Meeting Special Presentation Midland Raiders/Yankee Air Pirates: A Movie

Terri Polley Hits A Homerun!

The July meeting featured a video by Terri Polley of the flight to and from the CAF Airshow at Midland in 2009. It also included many scenes from on the ground at Midland.

This production was a long time in the making due to technical problems but was *very* artistically done. Unfortunately there was an equipment failure and the sound was not 100% but the show was great and we will get to see it again with intact sound in the future.

In accordance with the Midland traditions, the evening started out with Col. Schuster passing out vodka, lemon slices with coffee grounds known as ????????

Naturally, Doug had to demonstrate how it should be done a few times. The rest of the gang caught on quickly.

Loud Pipes

No meeting would be complete without an address by our speech expert-expert, Loud Pipes. Here he is in front of the Midland trip routing diagram that Cliff Heathcoat put up to explain the trip.

Bud reminded us of the creation of the Yankee Air Pirates with him as the *Guru!*
