October Movie Meeting!!

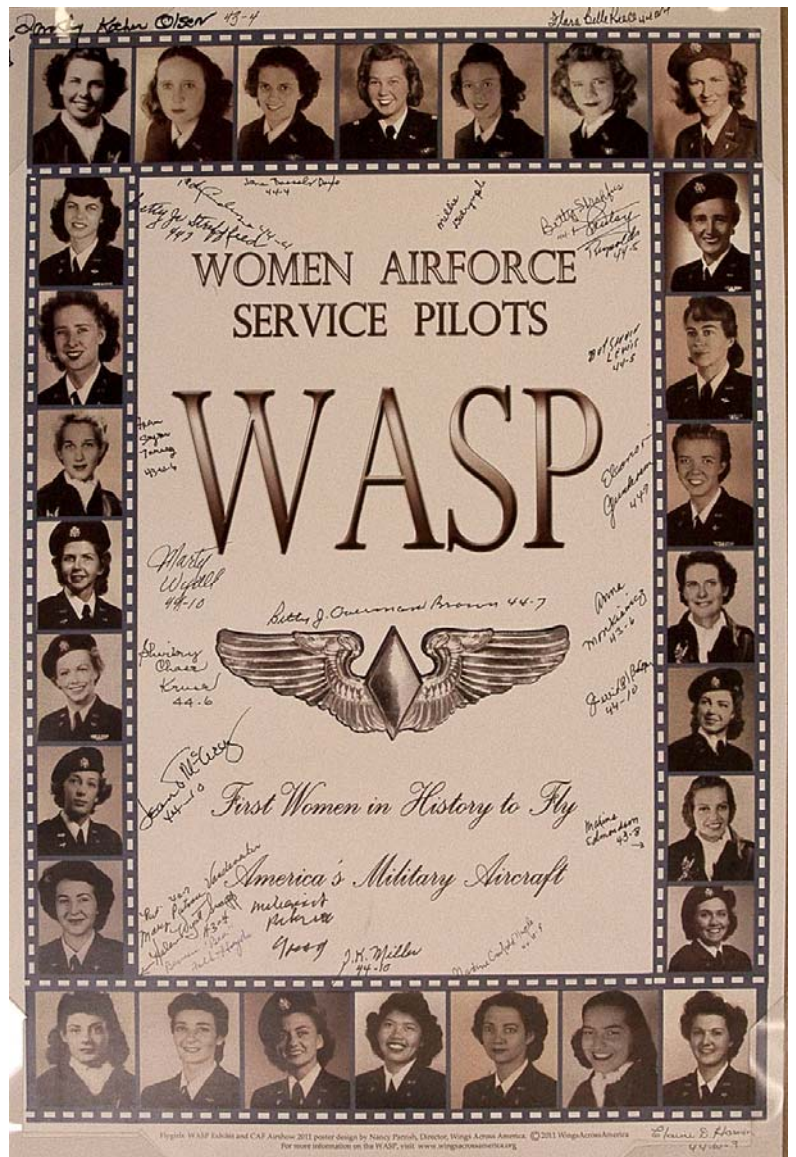

**Midland Raiders Start-to-Finish Video
Presentation created by Terry Polley
Includes Honoring the WASPS of WW II**

Cliff and Doug with WASP Anna Monkiewicz at Midland from the movie

Our dear friend Roy Test was featured in this 2009 film before he went West

This picture plaque was signed by those present at the WASP reunion. Some were over 90 years old and one pair had been bunkmates 70 years ago but had not seen each other since then until this reunion! Bud (PIPES!) Ukes created the plaque seen on the next page for the ladies and the 3rd Pursuit Squadron donated the plaques to each of the 27 WASPS at the reunion. The logo on the plaque is the logo that the WASPS used during their active days in the military. 3rd Pursuit is proud to be able to honor these brave women.
